

# GREENING THE STATEHOUSE 2022:

## PRESENTING SPONSOR

This year we are celebrating the **50th** year of the Clean Water Act and our **15th** GTS conference. Our Keynote Speaker this year is Robert Bilott a tenacious environmental lawyer who wrote the book, *Exposure: Poisoned Water, Corporate Greed, and One Lawyer's Twenty-Year Battle Against Dupont*. This inspired the major motion picture, *Dark Waters* (November 2019), featuring Academy-Award nominee Mark Ruffalo as Bilott. As presenting sponsor, you would have the honor of introducing this award winning lawyer at our largest GTS yet! More information at [hecweb.org/gts](http://hecweb.org/gts).
